

## Requirements for the Group PowerPoint Slide Presentation

\* **Your group PowerPoint presentation slides must include:**

- one slide for your **group destination**
- one slide of a **screenshot on the Google maps page** where your **4 cities/towns** are marked
- four introductory slides **with a common theme**, each introductory slide containing the name of a specific city/town, the day of the week and the name of the planner.

\* **For your individual presentation slides, you must include:**

- one slide for the **itinerary template** of your city/town
- one slide of a **screenshot** on the Google maps page where your **3-5 specific stops** are marked.
- one slide of a screenshot on the webpage where you found the **accommodation**
- at least two** slides containing detailed **visitor information** on two selected places.

\* **For each activity—there should be 3-5 activities in total—your must include:**

- one introductory slide with (1) **the activity type** (2) **the place of the activity** (3) **the scheduled time frame** on it
- one slide of a **screenshot** on the Google maps page where a **detailed route** of how to get to the place is shown
- 1-5 slides of pictures** regarding the activity or place

© **Please note that you will be graded on:**

1. your four worksheets and class involvement: 40%
2. your individual presentation, including your oral skills and slide design: 50%
3. your group presentation: 10%
